

Discussion Worksheet

District Team Meeting: Removing Barriers

District: _____

1. What key areas listed on the Pathway Certification Tool do you need to focus on to ensure quality pathway program implementation?
2. To obtain certification:
 - What are the barriers that you need help in overcoming?
 - What supports are needed to overcome these barriers to attain certification level pathway implementation?

Areas for Improvement	Barriers (Site and District)	Supports Needed

3. How will you share the Pathway Certification Tool with others back in your district? Who will present it when and in what venue?
4. What additional support and/or resources do you need from your ConnectEd Coach at either the district or pathway level to address the areas outlined on this worksheet?
5. How will district leadership begin addressing identified areas?
6. When other challenges are identified, how will the pathway and district leadership staff continue to communicate about addressing them?
